If you require urgent dental treatment over the Easter period, you should contact your own dentist during their opening hours.

Dental practices will be open on all days apart from weekends and bank holidays.

**If you need urgent dental treatment outside of
your dentist's opening hours including the
weekend and bank holidays, or if you do not
have a dentist contact**

clinics if necessary.

**Please be aware that urgent dental clinics operate by
appointment only.**

Please do not attend our urgent dental clinics without
an appointment, as you will not be able to be seen.
